AZIZUL ISLAM ADNAN

FULL STACK WEB DEVELOPER | REACT.JS | NEXT.JS | NODE.JS

Feni, Bangladesh | +8801811386855 | azizulislamadnan@gmail.com
LinkedIn | Portfolio | GitHub

PROFESSIONAL SUMMARY

Full Stack Web Developer with practical experience building responsive web applications, SaaS platforms, business management systems and API-integrated applications through personal and client projects. Skilled in JavaScript, React.js, Next.js, Node.js, Express.js and MongoDB. Experienced in developing authentication systems, REST APIs, administrative dashboards, multi-tenant applications, business workflows and third-party integrations. Interested in building scalable, user-friendly applications and solving practical business problems through technology.

TECHNICAL SKILLS

Frontend	JavaScript (ES6+), React.js, Next.js (App Router), HTML5, CSS3, Tailwind CSS, DaisyUI
Backend	Node.js, Express.js, REST APIs, MongoDB, JWT authentication, Firebase
Tools & Libraries	Git, GitHub, TanStack Query, React Hook Form, Vercel, Meta WhatsApp Cloud API, Resend

SELECTED PROJECTS

Wavo — WhatsApp Business SaaS Platform

Next.js, React, JavaScript, Tailwind CSS, MongoDB, Node.js, Meta Cloud API

- Developed a multi-tenant WhatsApp business messaging platform.
- Integrated Meta WhatsApp Cloud API and webhook-based message processing.
- Implemented campaign management and message delivery tracking.
- Built authentication, workspace management and administrative dashboards.
